

Financial Tear Sheet

Corporate Profile

Tactile Medical is a leader in treatment options for lymphedema and venous ulcer therapies. Tactile Medical develops advanced home therapy devices to improve health and quality of life for patients with chronic swelling conditions.

Headquartered in Minneapolis, Minnesota, we advocate for patient access and serve tens of thousands of patients through a national network of product specialists and trainers, reimbursement experts, patient advocates, and clinical staff. Our products are proven to improve quality of life, increase clinical efficacy, and reduce overall healthcare costs.
