Change in Date, Time and Location of Annual Meeting of Stockholders

Due to the public health impact of the coronavirus (COVID-19) pandemic, and to support the health and safety of its stockholders, team members and other meeting participants, Tactile Medical has changed the date, time and format of its Annual Meeting. The Annual Meeting will now be held on Monday, May 4, 2020, at 2:00 p.m. Central Time, by means of a virtual meeting format only instead of the date, time and location previously disclosed in Tactile Medical's proxy materials filed with the Securities and Exchange Commission on March 19, 2020. Stockholders will not be able to attend the Annual Meeting in person.

Stockholders will have the same opportunities to participate in the Annual Meeting as they would at an in-person meeting, including having the ability to vote and the opportunity to submit questions during the meeting using the directions on the meeting website. Stockholders as of the close of business on March 10, 2020, the record date, may participate in and vote at the Annual Meeting.

Stockholders can attend the Annual Meeting by accessing www.virtualshareholdermeeting.com/TCMD2020 and entering the 16-digit control number on the proxy card, notice of internet availability of proxy materials or voting instruction form stockholders previously received. Online access to the meeting will begin at 1:45 p.m., Central Time, on Monday, May 4, 2020.

Further information regarding the change in date, time and location of the Annual Meeting can be found in the proxy supplement filed by Tactile Medical with the Securities and Exchange Commission on April 17, 2020 and also available on Tactile Medical's Investor Relations website at <https://investors.tactilemedical.com/>. Whether or not you plan to attend the Annual Meeting, we urge you to vote and submit your proxy in advance of the meeting by one of the methods described in the proxy supplement.

Stockholders that have already voted do not need to vote again. The notice of internet availability of proxy materials, proxy card or voting instruction form included with the proxy materials previously distributed will not be updated to reflect the change in date, time and location and may continue to be used to vote your shares in connection with the Annual Meeting. Please note that the deadline to vote by phone or internet is now 11:59 p.m. Eastern Time on May 3, 2020.

If participants encounter any difficulties accessing the virtual meeting during the check-in or meeting time, they should call the technical support number that will be posted on the virtual meeting log-in page.
