

Tactile Medical to Present at the William Blair 46th Annual Growth Stock Conference

May 20, 2026

MINNEAPOLIS, May 20, 2026 (GLOBE NEWSWIRE) -- Tactile Systems Technology, Inc. ("Tactile Medical"; the "Company") (Nasdaq: TCMD), a medical technology company providing therapies for people with chronic disorders, today announced that management will participate in the William Blair 46th Annual Growth Stock Conference, which is being held at the Loews Hotel in Chicago, IL, from June 2-4, 2026. Management will present on Tuesday, June 2, at 9:20 a.m. Central Time.

A live audio webcast of the presentation will be accessible under the "Events & Webcasts" section of the Company's investor relations website at <http://investors.tactilemedical.com>. An archive of the webcast will be available for replay following the conference.

About Tactile Systems Technology, Inc. (DBA Tactile Medical)

Tactile Medical is a leader in developing and marketing at-home therapies for people suffering from underserved, chronic conditions including lymphedema, lipedema, chronic venous insufficiency and chronic pulmonary disease by helping them live better and care for themselves at home. Tactile Medical collaborates with clinicians to expand clinical evidence, raise awareness, increase access to care, reduce overall healthcare costs and improve the quality of life for tens of thousands of patients each year.
